CIRCULAR

Sub : Extension of Internship.....

I have to inform you that, on the ground of your request and Covid 19 Pandemic, Council has allowed Foreign Medical Graduate for undergoing Internship subject to approval from National Medical Commission for which you had given an undertaking.

Now, National Medical Commission has issued guidelines vide Public notice dated 28/07/2022. Further, National Medical Commission vide email dated 23/08/2022 has clarified that guidelines dated 28/07/2022 are also applicable to Foreign Medical Graduate students who have completed their undergraduate medical qualification last year and who have already cleared Screening Test examination. National Medical Commission further elaborated that in order to make up clinical training which could not be physically attended by Foreign Medical Graduate during Under Graduate medical course in the foreign medical institute and also to familiarize them with practice of medicine under Indian condition they would have to undergone 2-year Internship Programme.

Therefore, Council after considering above said fact has decided to implement above said guidelines. You are directed to submit Provisional Registration certificate which was granted earlier by the Council.

Now, you have to undergone 2 years Internship Programme.
Revised Provisional Registration shall be issued after receipt of
earlier Provisional Registration.
